## *social responsibility*

### PHILANTHROPY & ECOLOGY

Ermenegildo Zegna was convinced that high quality product was related to the beauty of the surroundings and to the wellness of the people involved. In his view, nature's protection, social life and cultural activity were an integral part of both work and leisure.

### Fondazione **Zegna**

The Zegna Foundation was established by the Zegna family on December 1st 2000 to ensure continuity for the values, thinking and work of the Company's founder Ermenegildo Zegna.
